An Amazing Addition!By DeliciousReviewsWhen Pablo the Pig runs away from his farm after threatened to being sold to Prinkle's Pork Chops, he finds Sir Sidney's circus, who encourages him to run in the pig race for the 5,000 dollar prize. Not only are the new characters lovable(as are the current ones), but I just had fun spending time in their world. There's even a nice little song and a very happy ending. I'd recommend this book if you like the Klise sister's books, or just like some laughter in your life!

Everyone has a secret. But sometimes a little secret can become a big problem. That's what happens when circus mouse Gert's secret pen pal, a pig named Pablo, runs away to join Sir Sidney's Circus. Pablo doesn't want to be sold to Prinkle's Pork Chops. Farmer Farley doesn't really want to sell Pablo, either, but he needs money to save his farm. When the New Pork Times announces a pig race with a five-thousand-dollar prize, the members of Sir Sidney's Circus--Gert, her brother Bert, Elsa the elephant, Leo the lion, and their friends--hope they've found a way to save Pablo and Farmer Farley's farm, too. The race is on in Secrets of the Circus.

From the Back CoverPEN PAL WANTED I'm looking for someone to send me letters. I'll write back when I can. Must like jokes, popcorn, and mice. Bert the Mouse
